SUMMARY OF BILL AS AMENDED (005859): Expands the membership of the Board of Pharmacy (Board) from seven members to nine members, to be appointed by the Governor. Makes changes to the qualifications for membership on the Board and the initial terms of board members. Authorizes the Board to employ persons it deems necessary to properly conduct board business, and to issue advisory private letter rulings to licensees who request a ruling regarding matters within the board's jurisdiction.

Other Fiscal Impact – To the extent the Board of Pharmacy chooses to hire employees to conduct board business, there will be additional expenditures incurred by the Board.

Pursuant to Tenn. Code Ann. § 4-29-121, all health-related boards are required to be self-supporting over a two-year period. The Board of Pharmacy had a surplus of \$198,441 in FY20-21, a surplus of \$404,000 in FY21-22, and a cumulative reserve balance of \$3,693,158 on June 30, 2022.

Assumptions for the bill as amended:

- The proposed legislation will add two additional members to the Board.
- Pursuant to Tenn. Code Ann. § 63-10-301(b), board members are entitled to a per diem of \$100 per meeting of the board, as well as reimbursement for travel expenses. The Board meets six times per year.
- It is estimated each board member will receive mileage reimbursement of \$160 (\$0.63 per mile x 254 miles) to attend each meeting. The total cost per board member per meeting is estimated to be \$260 (\$160 mileage + \$100 per diem).
- The recurring increase in state expenditures is estimated to be \$3,120 (\$260 x 2 members x 6 meetings) in FY23-24 and subsequent years.
- It is unknown whether the Board would choose to employ persons to conduct board business, and whether such employment would be contracted or full-time. To the extent the Board chooses to employ such individuals, there will be additional expenditures incurred by the Board.

- Pursuant to Tenn. Code Ann. § 4-29-121, all health-related boards are required to be self-supporting over a two-year period. The Board of Pharmacy had a surplus of \$198,441 in FY20-21, a surplus of \$404,000 in FY21-22, and a cumulative reserve balance of \$3,693,158 on June 30, 2022.
